77-886 Exam

SharePoint 2010

Simulation

Some items in this exam use a simulation of 77-886: SharePoint 2010. Consequently, functionality which is not directly relevant to the completion of a question may not be available. In particular, please note the following:

- If one of the supported methods of completion (menu, toolbar and mouse right-click) does not provide the anticipated result, try another of the supported methods.
- The program window cannot be resized.
- The Undo/Redo commands and keyboard navigation within documents are not available. (For example, ARROW keys, PAGEUP, and PAGEDOWN keys.)
- Fonts may appear somewhat different.

Follow Instructions

Follow all instructions provided in each question completely and accurately.

Keyboard Navigation

You can navigate through the exam by using the **Tab** key. You can select answer choices or click buttons by using the **Space** bar. You can scroll using the **Arrow** keys.

Exam Time

The exam timer works against the time spent answering the questions and does not count the time required by the computer between questions.

Unscored Items

This exam might include unscored questions. These questions appear randomly and are not scored; as a result, they have no effect on your final score. The data will be used to update and improve the quality of the exam.

⊖ Create a New User Group named **Admin**. Allow everyone to view group membership but only allow group members editing rights. Assign it the Design permission level.

Reset Quest

Answer:

Step 1: Click Site Pages
Step 2: Click on the Site Actions drop-down menu on the upper left of the
page. Then select Site Settings.

Step 3: From the Site Settings page, select Site Permissions found in the Users
and Permissions group of the Site Settings page.

Step 4: Click the Create Group button.
Step 5: On the New Group page, enter a group name Admin
Step 6: Grant everyone permission to view group membership.
Step 7: Grant group members editing rights by assigning the Design permission.
Step 8: Finish creating the group by clicking the Create button at the bottom of the page.

Question: 3

Create a new announcement that uses the Title **Holiday Sales** and the message **In stock**. Ensure that the announcement no longer appears in the list after June 30, 2011.

**Answer:**

Step 1: Click Site Pages
Step 2: Choosing View All Site Content from the Site Actions.
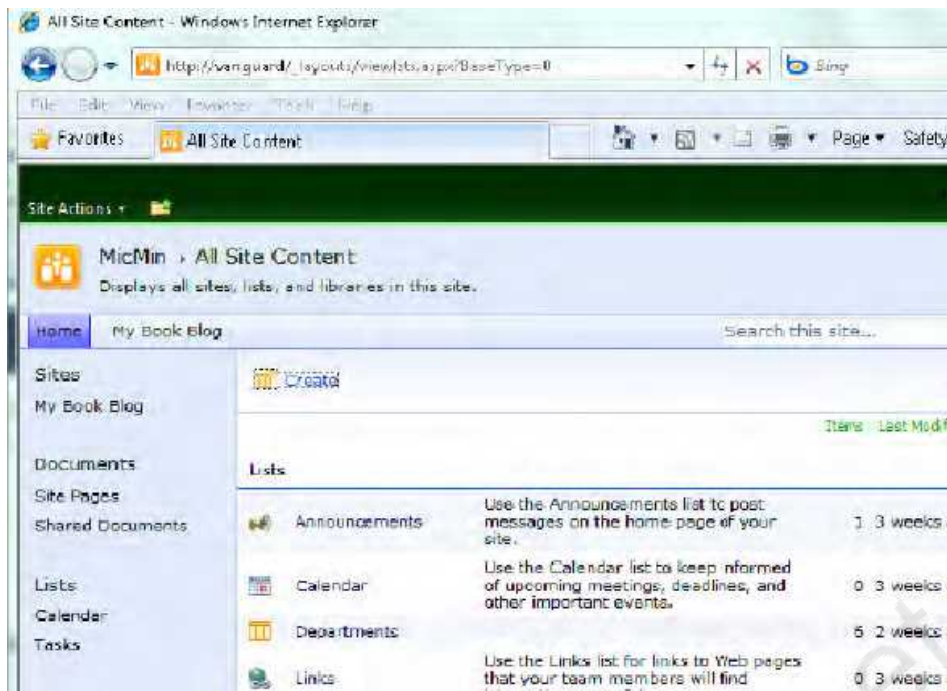

Step 3: Click Announcements.

Note:

Since you want to add a new announcement, you need to display the Items ribbon in the List Tools ribbon group. The Items ribbon allows you to add new items as well as edit and delete items.

Step 4: Click New Item in the New group to add another announcement (or click Add new announcement). This action opens the edit dialog for the list item, letting you supply the column values for a new item in the list using the same dialog as shown below.
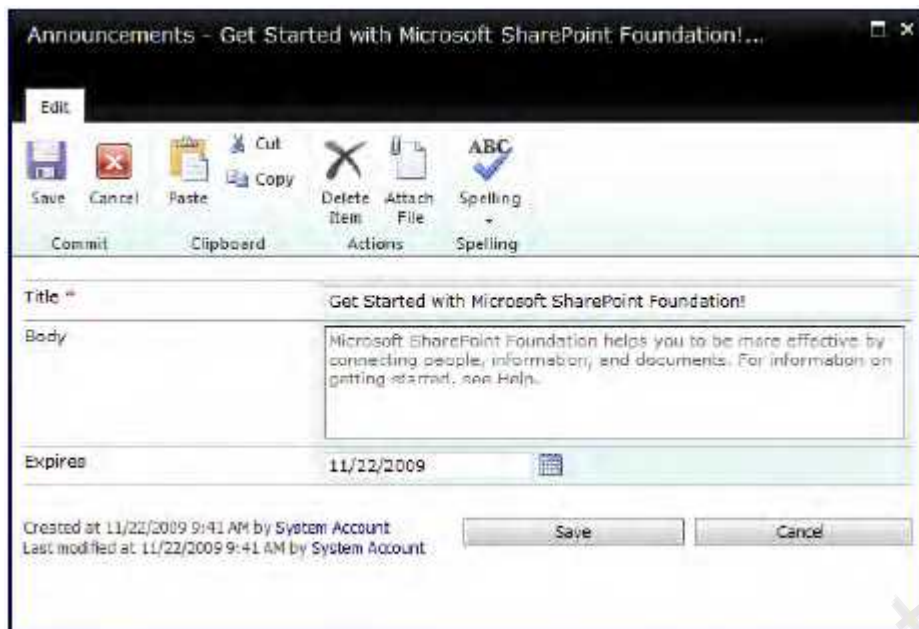

Step 5: Enter Title: Holiday Sales.
Set body to: In stock.
Set Expires to: June 30, 2011.
Step 6: Click Save.
