Where does Informatica 9.1 store encrypted passwords? A. Domain Configuration database B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	https://docs.oracle.com/cd/E35287_01/bia.7964/e35271/window	s_ic.htm#BABCAJGA
Where does Informatica 9.1 store encrypted passwords? A. Domain Configuration database B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
A. Domain Configuration database B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	Question: 2	
A. Domain Configuration database B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	Where does Informatica 9.1 store encrypted passwords?	
B. PowerCenter Repository database C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	A Domain Configuration database	
C. Domain Security database D. Service Manager Repository Answer: B Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	b. Service Manager Repository	
Explanation: Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		Answer: B
Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		7113000112
Reference: https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	Explanation:	
https://community.informatica.com/message/50742#50742 Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
Question: 3 Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles		
Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	Theps://eommanicy.informatica.com/message/50/42#50/42	
Which object below can be imported into a domain from LDAP? A. Permissions B. Privileges C. Groups D. Roles	Ouestion: 3	
A. Permissions B. Privileges C. Groups D. Roles		
B. Privileges C. Groups D. Roles	Which object below can be imported into a domain from LDAP?	
B. Privileges C. Groups D. Roles		
C. Groups D. Roles		
D. Roles	_	
	·	
Answer: C	D. Roles	
Answer: C		Anguari C
		Answer: C
Evolunation	Evaluation
